*(Notice received 6 February 2020)*

- 1762 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the North East Link project and the environmental impact assessment process where an independent panel was appointed to advise on the environmental acceptability of the project: Why is the Minister dismissing the recommendations of the independent panel who found that, after a nine week hearing of over 50 expert witnesses, the project is not environmentally acceptable unless significant changes are made.
- 1763 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the Country Fire Authority (CFA):
- (1) Is the Minister able to address the ongoing insufficient level of ongoing funding for the CFA's capital budget.
  - (2) Is the Minister able to consider planning for continuous funding to replace ageing assets, rather than single year grants or one-off project funding that prevents the CFA from being able to establish or plan for long-term sustainable asset replacement.
  - (3) Is the CFA able to get funding to the same high standards as other fire services in Victoria.
  - (4) Do CFA volunteers have the same legal rights and protections as employees, given the high risk in their jobs, and if not, is there a system that could be introduced to support these volunteers.
- 1764 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the Country Fire Authority (CFA), and noting the stories of volunteers emerging as heroes with the current bushfire crisis, and further noting that these volunteers are dissatisfied with the training arrangements they are receiving as well as exhausted from having to 'rattle tins' to fundraise for their areas in between fighting fires for extended periods: Is the Minister looking into better support services for the CFA and their volunteer network to improve volunteer numbers.
- 1765 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the bushfire risk to schools in the Southern Green Wedge, and noting school closure dates with total fire bans and inappropriate sites being considered: Will the Minister consider adding bushfire risk as something that must be considered when new school and church planning applications are received.

*(Notice received 18 February 2020)*

- 1768 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the admission made by the Department of Environment, Land, Water and Planning (DELWP) in its letter of 20 January 2020 'that DELWP became aware in September/October 2018 that the use of land in the Public Conservation and Resource Zone for commercial racehorse training may be prohibited':
- (1) Is the Minister aware of this admission.
  - (2) Will the Minister remove the amendment to the planning laws that permits commercial racehorse training in the Belfast Coastal Reserve.
- 1769 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the admission made by the Department of Environment, Land, Water and Planning (DELWP) in its letter of 20 January 2020 'that DELWP became aware in September/October 2018 that the use of land in the Public Conservation and Resource Zone for commercial racehorse training may be prohibited':
- (1) Is the Minister aware of this admission.
  - (2) Will the Minister review the Belfast Coastal Reserve Management Plan, as a matter of urgency, in order to protect the internationally significant Cultural Landscape between Moyjil and Budj Bim in South West Victoria.

**1839 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the contaminated soil disposal from the West Gate Tunnel project: Prior to the project commencement, was the Department of Environment, Land, Water and Planning aware of the 2017 submission from the Environment Protection Authority Victoria that recommended that the West Gate Tunnel project address the management, treatment and disposal of PFAS-contaminated groundwater and land.

**1840 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the contaminated soil disposal from the West Gate Tunnel project: Why have the nine technical impact assessments on the environmental, socio-economic, amenity and traffic impacts of the proposal to store, categorise and dispose of contaminated soil in Maddingley Brown Coal, not been made available to the public or the Moorabool Shire Council.

**1841 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the reports from residents in the Maddingley and Bacchus Marsh area that trucks have been dumping materials on the Maddingley Brown Coal premises over the last three weeks, and noting that no official agreement has been made with Maddingley Brown Coal over the disposal of the PFAS-contaminated soil from the West Gate Tunnel project: What is the material that has been dumped and where is it coming from.

**1842 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to potential amendments to the Moorabool Planning Scheme under section 20(4) of the *Planning and Environment Act 1987* to enable contaminated soil to be dumped at Maddingley Brown Coal:

- (1) Will the soil be classified according to the level of its hazard prior to the moving of the soil to the site, or upon its arrival.
- (2) What is the timeline being considered for the decision of whether an amendment is to be made.

**1843 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to Maddingley Brown Coal's website that states that the site is not licensed to accept asbestos contaminated waste: Given that reports suggest that the soil from the West Gate Tunnel project is not only contaminated with PFAS chemicals but also with asbestos, why is the Government considering Maddingley Brown Coal as a potential site for disposal.

**1844 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the Maddingley Brown Coal site as a disposal site for the contaminated soil from the West Gate Tunnel project:

- (1) If soil is disposed of at the site, who will be responsible for the testing, storage and treatment of the soil.
- (2) Who would be liable for serious environmental or health consequences resulting from soil disposal at the site.

- (3) Have any alternative sites for contaminated soil disposal been considered that are not near residential areas.
- (4) Will the Bacchus Marsh and surrounding communities be guaranteed safety from contamination.

**1845 MR HAYES** — To ask the Minister for Roads (for the Minister for Public Transport): In relation to the proposed 2-kilometre-long Upfield rail track: Why is the proposed track to be a ballasted track when Metro Trains Melbourne's Engineering Standards for a bridge building mandates the use of ballastless tracks for elevated sections of rail greater than 500 metres in length.

**1846 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the proposed North East Link (NEL):

- 1860 MR BOURMAN** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the Winton Wetlands: How many visitors travelled to the Winton Wetlands in —
- (a) 2011;
  - (b) 2012;
  - (c) 2013;
  - (d) 2014;
  - (e) 2015;
  - (f) 2016;
  - (g) 2017;
  - (h) 2018; and
  - (i) 2019.

*(Notice received 4 March 2020)*

- 1861 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to reports in the *Herald Sun* on 3 March 2020 that the Mayors of Wyndham City Council and City of Greater Geelong Council have written to the Minister urging the Government to put in place the extra rail services identified in its Western Rail Plan:
- (1) Is it correct that patronage on the Geelong railway line has increased over the past five years from 4.24 million trips to 9.83 million trips per annum, an increase of over 130 per cent.
  - (2) What action is the Minister taking, or intending to take, to accommodate this skyrocketing patronage.
- 1862 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to developments and redevelopments:
- (1) Is the Minister aware that for some developments, Tasmanian law prohibits re-application for the same proposal for a two year period.
  - (2) Given that the ability to constantly re-apply for the same or similar development disadvantages residents and corrupts the public approval process, will the Minister consider a similar restriction to that which applies in Tasmania.
  - (3) Given that alterations to applications for development during proceedings disadvantage residents who may be unaware of the change and therefore not be in a position to respond or be heard, will the Minister consider requiring applicants and responsible authorities to advertise amendments to development applications.

*(Notice received 17 March 2020)*

- 1863 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the Firearm Safety Code:

- (1) Why are hunters allowed to discharge a shotgun within 250 meters of private and public boundaries when the range for a shotgun may be 250 to 750 meters and can actually cross over into private land.
- (2) Why are designated hunting zones not classified as firearms ranges with the same stringent conduct and regulation requirements as target shooting ranges.

**1864 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to section 131(1) of the *Firearms Act 1996*, which prohibits shooters from trespassing on private property or negligently discharging a firearm on or across private property:

- (1) What steps have been taken to protect property owners and members of the public from physical, psychological or auditory injury.
- (2) What steps are taken to enforce section 131(1) of the *Firearms Act 1996* and what prosecutions, if any, have resulted from breaches of the Act.
- (3) Has a risk assessment ever been carried out on the risks that hunting poses to both property owners and the public.

**1865 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to Kew Cottages: Given that Heritage Victoria has had difficulty enforcing the mandated *Phytophthora* control regulations, will the Minister look to immediately halt all further development on the Kew Cottages site until the level of *Phytophthora* contamination can be accurately defined.

**1866 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to Kew Cottages:

- (1) Will the Minister reconsider the Kew Cottages contract and not renew the Walker Development Kew Cottages contract when the current contract expires on 31 December 2020.
- (2) Will the Minister commit to returning Kew Cottages Planning Authority to the City of Boroondara when the Walker Development contract expires on 31 December 2020.

**1867 MR HAYES** — To ask the Minister for Agriculture: Will the Minister reconsider the current logging occurring in the Toolangi and Rubicon State Forests and push for a moratorium on this until fire damage is finalised and damage assessed.

**1868 MR MEDDICK** — To ask the Minister for Agriculture: In relation to the Game Management Authority website that states that firearms are not to be used in a 'populous' place: Can the Minister please clarify the definition of populous.

**1869 MR MEDDICK** — To ask the Minister for Agriculture: In relation to duck shooting:

- (1) Will the Minister confirm if all areas where duck shooting is allowed will be available for the public to view on maps.
- (2) Can the Minister confirm if all areas where duck shooting is allowed will be clearly signposted prior to the season commencement.
- (3) Will the Minister ensure, for public safety, that a risk assessment has been carried out at all public areas where duck shooting is allowed before the season starts.

**1870 MR MEDDICK** — To ask the Minister for Agriculture: In relation to the *Domestic Animals Amendment (Puppy Farms and Pet Shops) Act 2017*: Noting that the Minister can give approval for breeding establishments to have more than ten fertile dogs, can the Minister advise how many of these permits have been issued since the legislation passed.

**1871 MR MEDDICK** — To ask the Minister for Agriculture: In relation to Clause 2.10 of the Code of Practice for the Management of Dogs and Cats in Shelters and Pounds which states "Aggressive, anti-social animals or an animal with known vices such as excessive barking, or habitual escapees must not be made available for sale": Noting that when a rescue organisation accepts an animal with these behaviours from a shelter or pound, they do not

consider this transfer to be a sale, can the Minister confirm that the transfer of an animal requiring rehabilitation from a shelter or pound to a rescue organisation is not classified as a sale under this clause.

- 1872 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to concessional fees at the Victorian Civil and Administrative Tribunal (VCAT): Is it correct that holders of a current health care card issued by the Federal Government are eligible for concessional fees at VCAT but age pensioners and disability pensioners are not, and if this is correct, what is the reason for the distinction.
- 1873 MR HAYES** — To ask the Minister for Priority Precincts: In relation to Kew Cottages:
- (1) Is the Government now selling apartments at the Kew Cottages site 'off the plan', before all planning and heritage requirements have been complied with.
  - (2) Is it correct that Development Victoria, the owner of the land, is yet to comply with a 2018 Heritage Council requirement for a Heritage Covenant on the Kew Cottages land.
  - (3) After being advised by the Minister for Planning that the Government's Kew Cottages Development partner Walker Corporation's contract expires on 31 December 2020, what risk is there to potential buyers if the apartments are not completed by 31 December 2020.
  - (4) Have potential buyers been fully informed of all potential risks involved in buying apartments off the plan in the Walker Corporation's Main Drive Kew estate.
- 1874 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the finding that a Mordialloc Freeway was preferable to an arterial road or other alternatives because it "provides the highest returns on investment with a Benefit Cost Ratio of 4.0": Given the announcement after this review that the budget for the freeway would be increased from \$375 million to \$523 million:
- (1) Will the Department of Transport (DoT) update the Benefit Cost Ratio in the light of the greatly increased cost.
  - (2) Will the DoT investigate whether this cost blowout makes other alternatives more competitive.
  - (3) What additional tree planting is planned between the proposed freeway and adjacent residential areas.
- 1875 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to a report in the *Australian Financial Review* on 5 March 2020 that suggested the Victorian Building Authority (VBA) is putting gag provisions in contracts with contractors: Has the VBA put any such clauses in contracts and does it intend to in the future.
- 1876 MR HAYES** — To ask the Minister for Local Government: In relation to the dismissal of the South Gippsland Shire Council:
- (1) Did the Minister receive the two Council submissions made by the Shire Councillors and the Mayor prior to the dismissal.
  - (2) Did the Minister, on 2 April 2019, indicate that the submissions would be tabled in Parliament.
  - (3) Can the Minister table the submissions or advise when they will be publicly released.
- 1877 MR GRIMLEY** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to road side drug and alcohol testing in the 2018-19 financial year:
- (1) How many drug tests were issued by Victoria Police to drivers.
  - (2) How many drink driving tests were issued by Victoria Police to drivers.
  - (3) Of the drivers who tested positive for drug driving, how many were charged for driving impaired.
- 1878 MR GRIMLEY** — To ask the Minister for Training and Skills (for the Attorney-General): In relation to the Victims of Crime Assistance Tribunal (VOCAT) who can give financial

assistance to victims of crime in Victoria: In the 2019 calendar year, how many victims of crime received financial compensation from VOCAT.

- 1879 MR GRIMLEY** — To ask the Minister for Training and Skills (for the Attorney-General): In relation to the Victims of Crime Assistance Tribunal (VOCAT) and the maximum amount of financial assistance a victim of crime can receive, which depends on the details of the crime and if they are a primary, secondary or related victim: On average, what level of funding do primary victims of sexual offences receive.

- 1977 MS CROZIER** — To ask the Minister for Health: Can the Minister provide a breakdown of where the additional \$60 million, to be made available to both public and private hospitals for thyroid, prostate, hernia or gynaecological surgeries, will be spent.
- 1978 MR HAYES** — To ask the Minister for Priority Precincts: In relation to the public release of *Phytophthora Cinnamomi*:
- (1) Is the Minister aware that Victoria's Public Land Management Strategy, approved by the Minister in 2008 as Minister for the Environment, identifies the need to focus on areas at risk from the deadly plant pathogen *Phytophthora Cinnamomi*, including communication and community engagement.
  - (2) Will the Minister request that Development Victoria and its contractor Walker Corporation stop delaying the public release of *Phytophthora Cinnamomi* management reports for the Kew Cottages development, which is adjacent to both the Yarra Bend Park and State Heritage listed former Willsmere Hospital.

(Notice received 19 March 2020)

- 1979 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the concerns from the Footscray Historical Society about the Government's intention to demolish four heritage homes in Geelong Road, Footscray as part of the Footscray Hospital project:
- (1) Is the Minister aware that these are some of the most significant heritage homes in the City of Maribyrnong, including the former homes of leaders in Scouting, disease prevention, conservation and the National Trust.
  - (2) Has the Government disregarded the recommendations of the City of Maribyrnong Council, the City's heritage overlay, the advice of senior historians, and failed to engage in community consultation concerning the Geelong Road homes.
- 1980 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): Does the Government have a plan for heritage protection in Melbourne and Victoria.
- 1981 MR HAYES** — To ask the Minister for Health: In relation to the homes proposed to be demolished by the Government in Geelong Road, Footscray as part of the Footscray Road project: Is the Minister aware that these homes include the former home of Charles Hoadley, a leader in Victoria's response to the 1919 influenza pandemic, the former home of Percy Richardson, another leader in that fight who died of influenza, and the former home of Graeme Robertson, who became Registrar at the Royal Melbourne Hospital in 1930 and was a leading neurologist and the President of the Australian Association of Neurologists.
- 1982 MR HAYES** — To ask the Minister for Health: Is the Minister aware of the comments made by the Footscray Historical Society that for the Footscray Hospital to be erected over the ruins of the homes of Footscray's pioneers in community service, health care administration, and advanced medical research, would be a standing reproach to Victoria's Department of Health and Human services, and an everlasting blot on the name of the new hospital.
- 1983 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Housing): In relation to a report by the *Herald Sun* on 8 February 2019, that hundreds of complaints about apartment overcrowding had been made in the City of Melbourne's local government area:
- (1) Given that overcrowding is both widespread and a known health risk, has the Minister discussed with the City of Melbourne steps that can be taken to ensure the health of apartment occupants during the coronavirus crisis.
  - (2) Has the Minister considered arranging alternative accommodation to protect the health of all apartment occupants in the City of Melbourne's local government area that complies with relevant laws and regulations related to maximum occupancy numbers for accommodation.
- 1984 MR HAYES** — To ask the Minister for Local Government: In relation to a report by the *Herald Sun* on 8 February 2019, that hundreds of complaints about apartment overcrowding had been made in the City of Melbourne's local government area:
- (1) Given that overcrowding is both widespread and a known health risk, has the Minister discussed with the City of Melbourne steps that can be taken to ensure the health of apartment occupants during the coronavirus crisis.
  - (2) What assistance, if any, is the Government extending to the City of Melbourne to combat the problem of apartment overcrowding, and in particular, the risk of coronavirus in the Central Business District.
- 1985 MR HAYES** — To ask the Minister for Health: In relation to a report by the *Herald Sun* on 8 February 2019, that hundreds of complaints about apartment overcrowding had been made in the City of Melbourne's local government area and comments by Mr Stephen Raff of Ace

Body Corporate Management, telling *The Age* a day before that the practice of ‘hot bedding’, where multiple shift workers use the same bed, was a health and safety issue:

- (1) What additional risks to health are posed by the practice of hot bedding.
- (2) Given that overcrowding is both widespread and a known health risk, has the Minister discussed with the City of Melbourne steps that can be taken to ensure the health of apartment occupants during the coronavirus crisis.
- (3) Has the Minister considered arranging alternative accommodation to protect the health of all apartment occupants in the City of Melbourne’s local government area that complies with relevant laws and regulations related to maximum occupancy numbers for accommodation.

**1986 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Water): In relation to commercial water mining:

- (1) Is the Minister concerned that commercial water mining could be damaging access to water for farmers and orchardists.
- (2) Is the Minister aware of water mining in Buffalo Creek, Myrtleford by Black Mount Springwater, also known as Myrtleford Springs.
- (3) Has the Minister discussed the impact of water mining in this area with local farmers and orchardists.
- (4) Is the Minister aware of the environmental impacts of bottled water which include plastic pollution of 120,000 tonnes of plastic bottles per year, carbon emissions at 200 millilitres of oil per one litre of bottled water produced, litter in metropolitan waterways and the Port Phillip Bay, and water use at three litres of water required to produce one litre of bottled water.
