- 1756 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the North East Link project: Why is the North East Link failing to comply with the Project Scoping Requirements for Road Traffic Noise for the day time and night time, therefore adversely impacting on the health of most of the 8,000 residences along the North East Link route.
- 1757 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the North East Link project:
- (1) Given that all three affected local councils who represent close to one million people do not want the North East Link project to go ahead in its current format, why will the Government not listen to the opposition to Option A of the North East Link.
 - (2) Will the Minister consider the significant issues raised by local council which warrants changes to this project.
 - (3) Is the Minister aware of the negative consequences on most of the 20,000 dwellings located within 500 metres of this project that were raised in the Public Place document titled *Overview of Social Impacts of the North East Link Project*.
- 1758 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the Minister’s answer to a Constituency Question on 12 September 2019 stating that “Mr O’Brien has no experience in freeway design”: Has the Minister seen Mr O’Brien’s extensive resume which spans 45 years in transport planning and traffic engineering.
- 1759 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the compulsory acquisition of 36 homes and 96 businesses that is a requirement of Option A of the North East Link project: Does the Minister understand the impact that the North East Link will have on local families who have children at local schools and connections to the neighborhood, as well as businesses who survive on their local customer service base.
- 1760 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to Option A of the North East Link project:
- (1) How does the Minister plan to rehome all of the wildlife displaced by the removal of 20 per cent of the Koonung Creek Reserve and parts of Bulleen Park.
 - (2) How will the 25,000 trees removed for this project and the over 52 hectares of lost open space be replaced.
- 1761 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to Option A of the North East Link project:
- (1) Is the Minister aware of the impact of Option A of the North East Link on the 100,000 people who use the Boroondara Tennis Centre annually, as well as the Bulleen Swim Centre, Freeway Golf course and parts of the Carey Grammar sporting complex.
 - (2) How will the Minister combat the social impact on local sporting clubs with the loss of club space in the area.

- 1762 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the North East Link project and the environmental impact assessment process where an independent panel was appointed to advise on the environmental acceptability of the project: Why is the Minister dismissing the recommendations of the independent panel who found that, after a nine week hearing of over 50 expert witnesses, the project is not environmentally acceptable unless significant changes are made.
- 1763 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the Country Fire Authority (CFA):
- (1) Is the Minister able to address the ongoing insufficient level of ongoing funding for the CFA's capital budget.
 - (2) Is the Minister able to consider planning for continuous funding to replace ageing assets, rather than single year grants or one-off project funding that prevents the CFA from being able to establish or plan for long-term sustainable asset replacement.
 - (3) Is the CFA able to get funding to the same high standards as other fire services in Victoria.
 - (4) Do CFA volunteers have the same legal rights and protections as employees, given the high risk in their jobs, and if not, is there a system that could be introduced to support these volunteers.
- 1764 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the Country Fire Authority (CFA), and noting the stories of volunteers emerging as heroes with the current bushfire crisis, and further noting that these volunteers are dissatisfied with the training arrangements they are receiving as well as exhausted from having to 'rattle tins' to fundraise for their areas in between fighting fires for extended periods: Is the Minister looking into better support services for the CFA and their volunteer network to improve volunteer numbers.
- 1765 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the bushfire risk to schools in the Southern Green Wedge, and noting school closure dates with total fire bans and inappropriate sites being considered: Will the Minister consider adding bushfire risk as something that must be considered when new school and church planning applications are received.
- 1766 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the removal of a number of 100-year-old trees at Moreland Railway Station for the Level Crossing Removal Project:
- (1) Is the Minister aware that Moreland has one of the lowest rates of tree canopy cover in Victoria at just 14 per cent.
 - (2) Does the Minister accept the advice of climate scientists that Melbourne is getting hotter and will need more, rather than less, tree canopy cover to protect its residents from excessive heat.
 - (3) Did the Government examine advice from an Upfield Corridor Coalition Civil Engineer that the Level Crossing Removal Project could be completed without the need for the removal of large, old trees.
 - (4) Has the Minister sought advice on how long it will take the replacement seedlings to provide a similar benefit to that of the trees the project has removed in terms of shade, wildlife habitat, and the physical and mental health of local residents.

(Notice received 18 February 2020)

- 1768 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the admission made by the Department of Environment, Land, Water and Planning (DELWP) in its letter of 20 January 2020 'that DELWP became aware in September/October 2018 that the use of land in the Public Conservation and Resource Zone for commercial racehorse training may be prohibited':
- (1) Is the Minister aware of this admission.

- (2) Will the Minister remove the amendment to the planning laws that permits commercial racehorse training in the Belfast Coastal Reserve.

1769 MR HAYES — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the admission made by the Department of Environment, Land, Water and Planning (DELWP) in its letter of 20 January 2020 ‘that DELWP became aware in September/October 2018 that the use of land in the Public Conservation and Resource Zone for commercial racehorse training may be prohibited’:

 - (3) What budget allocation per year over the forward estimates are in place to the operator.
- 1839 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the contaminated soil disposal from the West Gate Tunnel project: Prior to the project commencement, was the Department of Environment, Land, Water and Planning aware of the 2017 submission from the Environment Protection Authority Victoria that recommended that the West Gate Tunnel project address the management, treatment and disposal of PFAS-contaminated groundwater and land.
- 1840 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the contaminated soil disposal from the West Gate Tunnel project: Why have the nine technical impact assessments on the environmental, socio-economic, amenity and traffic impacts of the proposal to store, categorise and dispose of contaminated soil in Maddingley Brown Coal, not been made available to the public or the Moorabool Shire Council.
- 1841 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the reports from residents in the Maddingley and Bacchus Marsh area that trucks have been dumping materials on the Maddingley Brown Coal premises over the last three weeks, and noting that no official agreement has been made with Maddingley Brown Coal over the disposal of the PFAS-contaminated soil from the West Gate Tunnel project: What is the material that has been dumped and where is it coming from.
- 1842 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to potential amendments to the Moorabool Planning Scheme under section 20(4) of the *Planning and Environment Act 1987* to enable contaminated soil to be dumped at Maddingley Brown Coal:
- (1) Will the soil be classified according to the level of its hazard prior to the moving of the soil to the site, or upon its arrival.
 - (2) What is the timeline being considered for the decision of whether an amendment is to be made.

- 1843 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to Maddingley Brown Coal’s website that states that the site is not licensed to accept asbestos contaminated waste: Given that reports suggest that the soil from the West Gate Tunnel project is not only contaminated with PFAS chemicals but also with asbestos, why is the Government considering Maddingley Brown Coal as a potential site for disposal.
- 1844 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the Maddingley Brown Coal site as a disposal site for the contaminated soil from the West Gate Tunnel project:
- (1) If soil is disposed of at the site, who will be responsible for the testing, storage and treatment of the soil.
 - (2) Who would be liable for serious environmental or health consequences resulting from soil disposal at the site.
 - (3) Have any alternative sites for contaminated soil disposal been considered that are not near residential areas.
 - (4) Will the Bacchus Marsh and surrounding communities be guaranteed safety from contamination.
- 1845 MR HAYES** — To ask the Minister for Roads (for the Minister for Public Transport): In relation to the proposed 2-kilometre-long Upfield rail track: Why is the proposed track to be a ballasted track when Metro Trains Melbourne’s Engineering Standards for a bridge building mandates the use of ballastless tracks for elevated sections of rail greater than 500 metres in length.
- 1846 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the proposed North East Link (NEL):
- (1) Why was a proper Air Quality State Environment Protection Policy study not completed as part of the Environment Effects Statement.
 - (2) Does the Minister have modelled truck numbers for the night time.
 - (3) Have the World Health Organisation’s 2009 road traffic night time noise scoping requirements for the NEL been breached with the proposal.
- 1847 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): Are existing State Environment Protection Policy Air Quality limits being breached on the Eastern Freeway.
- 1848 MR HAYES** — To ask the Minister for Agriculture: In relation to the areas that duck shooting is permitted:
- (1) What is the number of public lakes, rivers, wetlands, creeks, waterways and streams where shooting is allowed.
 - (2) When will complete and accurate maps showing the permissible shooting areas be available to the public.
 - (3) What is the minimum safety buffer distance from people’s homes that shooting is allowed.
- 1849 MR HAYES** — To ask the Minister for Agriculture: Given that a distance of 30 metres appears to be in breach of the *Firearm Safety Code*, what studies or risk assessments have been carried out regarding the proximity of duck shooting to people’s homes.

(Notice received 4 March 2020)

1861 MR HAYES — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to reports in the *Herald Sun* on 3 March 2020 that the Mayors of Wyndham City Council and City of Greater Geelong Council have written to the Minister urging the Government to put in place the extra rail services identified in its Western Rail Plan:

- (1) Is it correct that patronage on the Geelong railway line has increased over the past five years from 4.24 million trips to 9.83 million trips per annum, an increase of over 130 per cent.
- (2) What action is the Minister taking, or intending to take, to accommodate this skyrocketing patronage.

1862 MR HAYES — To ask the Minister for Regional Development (for the Minister for Planning): In relation to developments and redevelopments:

- (1) Is the Minister aware that for some developments, Tasmanian law prohibits re-application for the same proposal for a two year period.

- (2) Given that the ability to constantly re-apply for the same or similar development disadvantages residents and corrupts the public approval process, will the Minister consider a similar restriction to that which applies in Tasmania.
- (3) Given that alterations to applications for development during proceedings disadvantage residents who may be unaware of the change and therefore not be in a position to respond or be heard, will the Minister consider requiring applicants and responsible authorities to advertise amendments to development applications.
