  - (2) What is the timeline being considered for the decision of whether an amendment is to be made.
- 1843 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to Maddingley Brown Coal's website that states that the site is not licensed to accept asbestos contaminated waste: Given that reports suggest that the soil from the West Gate Tunnel project is not only contaminated with PFAS chemicals but also with asbestos, why is the Government considering Maddingley Brown Coal as a potential site for disposal.
- 1844 MRS MCARTHUR** — To ask the Special Minister of State (for the Minister for Planning): In relation to the Maddingley Brown Coal site as a disposal site for the contaminated soil from the West Gate Tunnel project:
- (1) If soil is disposed of at the site, who will be responsible for the testing, storage and treatment of the soil.
  - (2) Who would be liable for serious environmental or health consequences resulting from soil disposal at the site.

- (3) Have any alternative sites for contaminated soil disposal been considered that are not near residential areas.
- (4) Will the Bacchus Marsh and surrounding communities be guaranteed safety from contamination.

**1845 MR HAYES** — To ask the Minister for Roads (for the Minister for Public Transport): In relation to the proposed 2-kilometre-long Upfield rail track: Why is the proposed track to be a ballasted track when Metro Trains Melbourne's Engineering Standards for a bridge building mandates the use of ballastless tracks for elevated sections of rail greater than 500 metres in length.

**1858 MR DAVIS** — To ask the Minister for Roads (for the Minister for Public Transport): In relation to VicTrack land leased to the Australian Rail Track Corporation (ARTC):

**1866 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to Kew Cottages:

- (1) Will the Minister reconsider the Kew Cottages contract and not renew the Walker Development Kew Cottages contract when the current contract expires on 31 December 2020.
- (2) Will the Minister commit to returning Kew Cottages Planning Authority to the City of Boroondara when the Walker Development contract expires on 31 December 2020.

**1867 MR HAYES** — To ask the Minister for Agriculture: Will the Minister reconsider the current logging occurring in the Toolangi and Rubicon State Forests and push for a moratorium on this until fire damage is finalised and damage assessed.

**1868 MR MEDDICK** — To ask the Minister for Agriculture: In relation to the Game Management Authority website that states that firearms are not to be used in a 'populous' place: Can the Minister please clarify the definition of populous.

**1869 MR MEDDICK** — To ask the Minister for Agriculture: In relation to duck shooting:

- (1) Will the Minister confirm if all areas where duck shooting is allowed will be available for the public to view on maps.
- (2) Can the Minister confirm if all areas where duck shooting is allowed will be clearly signposted prior to the season commencement.
- (3) Will the Minister ensure, for public safety, that a risk assessment has been carried out at all public areas where duck shooting is allowed before the season starts.

- 1870 MR MEDDICK** — To ask the Minister for Agriculture: In relation to the *Domestic Animals Amendment (Puppy Farms and Pet Shops) Act 2017*: Noting that the Minister can give approval for breeding establishments to have more than ten fertile dogs, can the Minister advise how many of these permits have been issued since the legislation passed.
- 1871 MR MEDDICK** — To ask the Minister for Agriculture: In relation to Clause 2.10 of the Code of Practice for the Management of Dogs and Cats in Shelters and Pounds which states “Aggressive, anti-social animals or an animal with known vices such as excessive barking, or habitual escapees must not be made available for sale”: Noting that when a rescue organisation accepts an animal with these behaviours from a shelter or pound, they do not consider this transfer to be a sale, can the Minister confirm that the transfer of an animal requiring rehabilitation from a shelter or pound to a rescue organisation is not classified as a sale under this clause.
- 1872 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to concessional fees at the Victorian Civil and Administrative Tribunal (VCAT): Is it correct that holders of a current health care card issued by the Federal Government are eligible for concessional fees at VCAT but age pensioners and disability pensioners are not, and if this is correct, what is the reason for the distinction.
- \*1873 MR HAYES** — To ask the Minister for Roads (for the Minister for Priority Precincts): In relation to Kew Cottages:
- (1) Is the Government now selling apartments at the Kew Cottages site ‘off the plan’, before all planning and heritage requirements have been complied with.
  - (2) Is it correct that Development Victoria, the owner of the land, is yet to comply with a 2018 Heritage Council requirement for a Heritage Covenant on the Kew Cottages land.
  - (3) After being advised by the Minister for Planning that the Government’s Kew Cottages Development partner Walker Corporation’s contract expires on 31 December 2020, what risk is there to potential buyers if the apartments are not completed by 31 December 2020.
  - (4) Have potential buyers been fully informed of all potential risks involved in buying apartments off the plan in the Walker Corporation’s Main Drive Kew estate.
- 1875 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to a report in the *Australian Financial Review* on 5 March 2020 that suggested the Victorian Building Authority (VBA) is putting gag provisions in contracts with contractors: Has the VBA put any such clauses in contracts and does it intend to in the future.
- 1876 MR HAYES** — To ask the Minister for Local Government: In relation to the dismissal of the South Gippsland Shire Council:
- (1) Did the Minister receive the two Council submissions made by the Shire Councillors and the Mayor prior to the dismissal.
  - (2) Did the Minister, on 2 April 2019, indicate that the submissions would be tabled in Parliament.
  - (3) Can the Minister table the submissions or advise when they will be publicly released.
- 1878 MR GRIMLEY** — To ask the Minister for Training and Skills (for the Attorney-General): In relation to the Victims of Crime Assistance Tribunal (VOCAT) who can give financial assistance to victims of crime in Victoria: In the 2019 calendar year, how many victims of crime received financial compensation from VOCAT.
- 1879 MR GRIMLEY** — To ask the Minister for Training and Skills (for the Attorney-General): In relation to the Victims of Crime Assistance Tribunal (VOCAT) and the maximum amount of financial assistance a victim of crime can receive, which depends on the details of the crime and if they are a primary, secondary or related victim: On average, what level of funding do primary victims of sexual offences receive.

**\*1978 MR HAYES** — To ask the Minister for Roads (for the Minister for Priority Precincts): In relation to the public release of *Phytophthora Cinnamomi*:

- (1) Is the Minister aware that Victoria's Public Land Management Strategy, approved by the Minister in 2008 as Minister for the Environment, identifies the need to focus on areas at risk from the deadly plant pathogen *Phytophthora Cinnamomi*, including communication and community engagement.
- (2) Will the Minister request that Development Victoria and its contractor Walker Corporation stop delaying the public release of *Phytophthora Cinnamomi* management reports for the Kew Cottages development, which is adjacent to both the Yarra Bend Park and State Heritage listed former Willsmere Hospital.

(Notice received 19 March 2020)

**1981 MR HAYES** — To ask the Minister for Health: In relation to the homes proposed to be demolished by the Government in Geelong Road, Footscray as part of the Footscray Road project: Is the Minister aware that these homes include the former home of Charles Hoadley, a leader in Victoria's response to the 1919 influenza pandemic, the former home of Percy Richardson, another leader in that fight who died of influenza, and the former home of Graeme Robertson, who became Registrar at the Royal Melbourne Hospital in 1930 and was a leading neurologist and the President of the Australian Association of Neurologists.

**1982 MR HAYES** — To ask the Minister for Health: Is the Minister aware of the comments made by the Footscray Historical Society that for the Footscray Hospital to be erected over the ruins of the homes of Footscray's pioneers in community service, health care administration, and advanced medical research, would be a standing reproach to Victoria's Department of Health and Human services, and an everlasting blot on the name of the new hospital.

- 1983 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Housing): In relation to a report by the *Herald Sun* on 8 February 2019, that hundreds of complaints about apartment overcrowding had been made in the City of Melbourne's local government area:
- (1) Given that overcrowding is both widespread and a known health risk, has the Minister discussed with the City of Melbourne steps that can be taken to ensure the health of apartment occupants during the coronavirus crisis.
  - (2) Has the Minister considered arranging alternative accommodation to protect the health of all apartment occupants in the City of Melbourne's local government area that complies with relevant laws and regulations related to maximum occupancy numbers for accommodation.
- 1984 MR HAYES** — To ask the Minister for Local Government: In relation to a report by the *Herald Sun* on 8 February 2019, that hundreds of complaints about apartment overcrowding had been made in the City of Melbourne's local government area:
- (1) Given that overcrowding is both widespread and a known health risk, has the Minister discussed with the City of Melbourne steps that can be taken to ensure the health of apartment occupants during the coronavirus crisis.
  - (2) What assistance, if any, is the Government extending to the City of Melbourne to combat the problem of apartment overcrowding, and in particular, the risk of coronavirus in the Central Business District.
- 1985 MR HAYES** — To ask the Minister for Health: In relation to a report by the *Herald Sun* on 8 February 2019, that hundreds of complaints about apartment overcrowding had been made in the City of Melbourne's local government area and comments by Mr Stephen Raff of Ace Body Corporate Management, telling *The Age* a day before that the practice of 'hot bedding', where multiple shift workers use the same bed, was a health and safety issue:
- (1) What additional risks to health are posed by the practice of hot bedding.
  - (2) Given that overcrowding is both widespread and a known health risk, has the Minister discussed with the City of Melbourne steps that can be taken to ensure the health of apartment occupants during the coronavirus crisis.
  - (3) Has the Minister considered arranging alternative accommodation to protect the health of all apartment occupants in the City of Melbourne's local government area that complies with relevant laws and regulations related to maximum occupancy numbers for accommodation.

(Notice received 23 April 2020)

- 1987 MR QUILTY** — To ask the Minister for Health: In relation to COVID-19 and noting that we have seen increasing levels of social restrictions, the continued panic buying of staple goods in supermarkets and further noting apparent restrictions on testing for the virus:
- (1) How is the Government conducting COVID-19 tests and how many are being done each day.
  - (2) What is the cost per test.
  - (3) How many test kits are available.
  - (4) How many tests can be processed each day.
  - (5) How will the Government detect the disease spreading in the community if only people with known contact with confirmed carriers are tested.
  - (6) Are pathology labs across Victoria processing tests or is there a central facility.
- 1988 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the Western Highway upgrade: Will the Minister consider the northern option put forward by residents for the Western Highway upgrade noting that residents have been told it is a much faster, safer, cheaper and more environmentally friendly option than the current proposed Option 1.

- 1989 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the state-owned land near Glen Waverley Railway Station, between O'Sullivan Road, Railway Parade North and Euneva Avenue: Is this land earmarked for sale by the Government, and if so, has the Minister taken into account its importance in the proposed Suburban Rail Loop.
- 1990 MR HAYES** — To ask the Minister for Roads (for the Minister for Energy, Environment and Climate Change): In relation to the State Environmental Protection Policy (SEPP) intervention level: Why has the SEPP intervention level not been activated on the Eastern Freeway when the North East Link Environment Effects Statement has identified particle pollution exceedances above the SEPP limits.
- 1991 MR HAYES** — To ask the Minister for Regional Development (for the Treasurer): In relation to KPMG's 'scoping study' into VicRoads:
- (1) Is contracting out or privatisation an option being considered by KPMG, or part of their brief, and if so —
    - (a) what guarantees can the Government provide concerning the privacy of name and address information, driving records and other data presently held by VicRoads; and
    - (b) what steps will the Government put in place to prevent identity fraud, given that driver licences are routinely accepted by banks and other places as proof of identity.
  - (2) Can the Government guarantee that no VicRoads call centre or other jobs will be offshored as a result of this process.
  - (3) Will the Government and KPMG take into account the value, particularly to older people, of face to face service provision at VicRoads shopfronts, and the less accessible service which comes with their replacement by online or call centre based service delivery.
- 1992 MR HAYES** — To ask the Minister for Agriculture: In relation to the Australia and New Zealand Ministerial Forum on Food Regulation (the Forum):
- (1) What consideration has the Forum given to Recommendation 12 of the *Review of Food Labelling Law and Policy* (the Blewett Review), which dealt with the labelling of imported palm oil.
  - (2) What was the outcome of that consideration.
  - (3) Does the Government support the mandatory labelling of palm oil as a means of enabling consumers to object to the ongoing destruction of the tropical rainforest habitat of orangutans and other endangered species.
- 1993 MR HAYES** — To ask the Minister for Health: In relation to a 2017 speech to the National Press Club, where the Australian Council of Trade Unions Secretary Sally McManus quoted figures that there are 1.4 million people in Australia on temporary work visas, and noting that Ms McManus said that this represented around one in ten people in the Australian workforce and that many of these temporary work visas are amongst the lowest paid in society:
- (1) Can the Minister advise how temporary work visa holders residing in Victoria can access affordable medical care and treatment if infected with COVID-19.
  - (2) Are temporary workers that are infected with COVID-19 eligible for Medicare.
  - (3) If temporary workers residing in Victoria are not eligible for Medicare, what provisions for treatment and medical care has the Minister made for those who contract COVID-19.
- 1994 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to vegetation in Melbourne's suburbs:
- (1) Is the Minister aware of the importance of preserving and enhancing tree cover in Melbourne's suburbs in the light of climate change and the urban heat island effect, noting that this means that vegetation is necessary to prevent suburbs, and people, from overheating in the future.
  - (2) Is it correct that vegetation cover in Melbourne's suburbs has been declining over the past 20 years, particularly on private land, and if so —

- (a) what information does the Government collect concerning the extent of Melbourne's vegetation cover over time, suburb by suburb;
- (b) will the Minister make that information available; and
- (c) what steps will the Government take to protect our remaining vegetation cover, including on private land.

**1995 MR HAYES** — To ask the Minister for Agriculture: In relation to duck shooting:

- (1) Noting that the Game Management Authority (GMA), in arriving at decisions concerning duck shooting, is required to assess all social, economic and environmental costs and benefits considering externalities, has the GMA considered information other than a survey of 900 duck shooters in 2013.
- (2) How were complaints concerning duck shooting from rural landowners, requests for exclusion zones from landowners and Councils, and the impact of duck shooting on local businesses, such as tourism, considered.
- (3) Has the GMA considered the decline in the number of duck shooters in its assessment of the expenditure caused by duck shooting.
- (4) Is the Minister aware that Victoria's Index of Wetland Condition is now the lowest recorded since surveys commenced 37 years ago, noting that in the previous breeding season there was minimal waterbird breeding, with swans and ibis accounting for 97 per cent of it.
- (5) Will the Minister consider the impact on rural families of being woken by gunfire before dawn, and consider an 8.00 a.m. start time for all days when duck shooting is permitted.

- (5) What directions, if any, has the Minister provided to the Commissioners of the current Royal Commission into Victoria's Mental Health System to incorporate specific consideration in their work of the policy implications of the COVID-19 pandemic for mental health services for Victorians.

**2196 MS MAXWELL** — To ask the Minister for Health: In relation to the availability of personal protective equipment (PPE):

- (1) On what date did the Minister first formally, in writing, instruct her staff and/or relevant other officials to begin organising for additional PPE to be obtained for Victoria in response to the COVID-19 outbreak.
- (2) How much money in total has the Government spent on increasing the stock of PPE across the state since the start of the COVID-19 pandemic.
- (3) Where has the additional PPE for Victoria been sourced.
- (4) How much additional stock of PPE has been provided specifically to each of the following sets of facilities in the Northern Victoria electorate since the start of the COVID-19 pandemic —
  - (a) hospitals;
  - (b) aged care facilities; and
  - (c) doctors' surgeries.
- (5) How much further money does the Government currently forecast will be spent in total during the remainder of 2020 on obtaining any additional PPE for Victoria.

**2197 MS MAXWELL** — To ask the Minister for Health: In relation to initial advice about the risks of an outbreak of COVID-19 in Victoria: On what date did the Minister first receive formal written report or reports of any kind from her staff, or any other person in any role within the Victorian health system, about the public health risks and/or potential public health risks of COVID-19.

**2198 MS MAXWELL** — To ask the Minister for Regional Development (for the Minister for Corrections): In relation to the Victorian Auditor-General's March 2020 Report *Ravenhall Prison: Rehabilitating and Reintegrating Prisoners*:

- (1) What agreement is now in place as to who is responsible for intensive post-release and case management services within Ravenhall Prison.
- (2) What changes have been made in order to ensure that inmates are receiving timely risk assessments and/or other forms of required assessment since the release of the Report.
- (3) On what date did Corrections Victoria and GEO Group Australia Pty Ltd agree to the further contract change, as referenced on page 8 of the Report.
- (4) As a result of the contract change referenced in paragraph (3), what is the current agreed new maximum prisoner population at Ravenhall Prison.
- (5) What housing assistance, programs and services, if any, are available to Ravenhall prisoners following their release, particularly to ensure they are not exposed to post-release homelessness.
- (6) On what date did, or will, the planned academic review of the Continuum of Care model begin, as referenced on page 51 of the Report.
- (7) On what date is the planned academic review referenced in paragraph (6) due to conclude, and will the Government publicly release this review.
- (8) Notwithstanding the commentary on page 44 of the Report, has the Government undertaken or commissioned any other evaluation or evaluations of the results of the use of the Continuum of Care model at Ravenhall Prison.
- (9) If any such evaluations referenced in paragraph (8) have been completed, on what dates were they each published, and where can this be accessed.

- (10) On what date or dates have any formal evaluations of the use of key performance indicator (KPI) 15 and/or 16 at Ravenhall Prison been published, and where can this be accessed.
- (11) On what date or dates have any other formal evaluations of the operation of Ravenhall Prison been published, and where can this be accessed.
- (12) Are any other evaluations of the operations of Ravenhall Prison currently underway or scheduled to be completed in the future and if so, what are the details of these.
- (13) Given the clear discrepancies identified in the audit between KPI 15 and 16, what changes have Corrections Victoria and/or GEO Group Australia Pty Ltd subsequently made to the models and frameworks used at Ravenhall Prison in order to reduce the prisoners' reoffending outcomes.
- (14) What specific strategies will the Government be pursuing during 2020 to reduce the current state-wide return to prison rate of 43.3 per cent.
- (15) What percentage of prisoners who have occupied a mental health bed at Ravenhall Prison have subsequently reoffended and returned to prison after being released from Ravenhall Prison.
- (16) How many referrals in total have been made for prisoners leaving Ravenhall Prison to attend The Bridge Centre during —
  - (a) 2018;
  - (b) 2019; and
  - (c) 2020.

- (18) What additional educational units and modules are scheduled to be introduced in the future at Ravenhall Prison, and from what date or dates in each case.
- (19) What programs are currently available at Ravenhall Prison specifically for prisoners on remand, given their comparatively short stay at the prison.
- (20) What additional programs are scheduled to be introduced in the future at Ravenhall Prison specifically for prisoners on remand, and from what date or dates in each case.
- (21) Is alcohol and other drug (AOD) treatment and mental health support available to people at Ravenhall Prison whilst on remand, and —
  - (a) if so, what are they; and
  - (b) if not, why not.
- (22) Why are prisoners on remand at Ravenhall Prison unable to access or participate in programs to treat reoffending or reduce recidivism.
- (23) What is the reasoning for the continued possibility of an annual bonus payment of up to \$2 million to GEO Group Australia Pty Ltd for reducing recidivism rates of Ravenhall prisoners when more than half of the prisoners are now there only on remand.
- (24) What is the current evidential basis for the Government's continued use of a model across the prison system that sees private prison operators given specific incentives to provide outcomes.
- (25) Has the Government accepted any of the recommendations of the Report, and —
  - (a) if so, how many and when were each of the recommended changes fully implemented; and
  - (b) if not, why did the Government choose to not accept certain recommendation.

  - (4) How many travellers in total, who arrived at Victorian airports between 25 January 2020 and 28 March 2020 inclusive, were formally instructed to immediately self-isolate for at least 14 days.
  - (5) In relation to those travellers identified in the answer to paragraph (4), were they all monitored to ensure they continued to self-isolate for the full 14-day period or were they only monitored on a random basis.
  - (6) If the answer to paragraph (5) is that this only occurred on a random basis, what percentage of them were monitored and how often were they monitored.
  - (7) What specific means did the Government and/or agencies acting on its behalf use to ensure that those travellers were monitored.
  - (8) Noting that the Government formally implemented specific COVID-19 docking protocols for incoming cruise ships on or around 19 March 2020, on what date were specific COVID-19 protocols implemented in relation to planes arriving at airports.
  - (9) For the purposes of mitigating the potential spread of COVID-19, what records, if any, were specifically made of traveller's feedback to authorities at airports about where they were intending to travel next following their arrival, including cases where they were planning to travel to regional Victoria.
