(Notice received 5 March 2019)

- 193 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): Is the Minister aware of the 16 January 2019 article by Mr Patrick Hatch in *The Age* titled *Essendon Airport DFO plans call safety planning into question*.
- 194 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): Has the Minister investigated the claim in the report by the Australian Federation of Air Pilots that the DFO Essendon complex was built closer to the runway than provided by international and Australian safety guidelines and is a “significant safety compliance anomaly”.
- 195 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to Essendon Airport and the DFO Essendon complex: Is it correct that —
- (a) the International Civil Aviation Organization recommends a minimum 300 metre runway strip width, so that there is a 150 metre buffer zone either side of the runway’s centre line; and
 - (b) DFO sits 128 metres from the centre of the runway.
- 196 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to Essendon Airport and the DFO Essendon complex: Is it correct that —
- (a) the Civil Aviation Safety Authority (CASA) requires that a detailed safety case be prepared and all relevant stakeholders are consulted before a runway strip width can be less than 300 metres, and if so, did this happen in the case of Essendon Airport and the DFO buildings;
 - (b) the Federal Government approved the DFO development on condition that the airport consult with CASA about its plans and comply with its safety requirements; and
 - (c) CASA advised the Airport that “gathering the information required for the authority’s assessment of whether every item in a Draft Master Plan will be compliant with civil aviation safety requirements would be time-consuming and expensive”.
- 197 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): Was the Victorian Government consulted at the time the former Federal Transport Minister approved the DFO Essendon building on the condition that it did not adversely impact on “navigation aids or operational activities” at Essendon Airport.
- 198 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): Is there a potential safety risk if buildings are built too close to runways, particularly in the light of the February 2017 crash of a Beechcraft King Air light aircraft shortly after take-off into the southern end of the DFO Essendon complex, which killed all five people on board.
- 199 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): Given that Essendon Airport is home to Victoria’s emergency services air wings, has the Minister been consulted concerning any proposal to further narrow the runway strip, and if so, what response has the Government provided to either Essendon Airport or the Civil Aviation Safety Authority concerning this proposal.
