16 Redactions

The Standing Orders Committee (the Committee) is empowered to authorise redactions from a document published by the House, Assembly Hansard, official broadcast footage of the Assembly Chamber or an Assembly Committee, a petition, or a document tabled under SO 171 on safety or security grounds using the following process:

- (1) A person, including a member of Parliament, may write to the Clerk and request the redaction including details of the nature of the safety or security risk and how redaction would reduce or remove this risk. The Clerk will then forward that request to the Committee as soon as practicable.

- (2) If the Committee is satisfied there is a safety or security risk and the redaction is warranted, the Committee may approve the request. All members present at the meeting must unanimously agree for the Committee's decision to be effective.
- (3) The Clerk will inform the person who made the request of the Committee's decision. Where the Committee unanimously approves the redaction, the Clerk must take all necessary steps to give effect to the Committee's decision.
- (4) A redaction does not affect the protections provided by ss 73, 74 or 74AA of the *Constitution Act 1975*.
- (5) The Clerk must include a statement of the number of redactions made and the type of document they were redacted from, excluding any identifying information, in the annual report of the Department of the Legislative Assembly.
- (6) The Committee may issue guidelines on the operation of this sessional order.
