**828 MR RICH-PHILLIPS** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the 18 July 2019 report made to Victoria Police in Cranbourne from a resident of Salandra Estate, Clyde North, alleging that three individuals attempted to break into cars parked on the street, of which a different resident on the estate offered CCTV footage of the incident on 19 July 2019, the name of one alleged offender on 21 July 2019 and additional information confirming the identity of one of the alleged offenders on 24 July 2019:

- (1) Why did Victoria Police not seek to obtain or view the CCTV footage of the alleged attempt to break into cars that was offered by the resident to Victoria Police on 19 July 2019, 21 July 2019 and 24 July 2019.

- (2) On how many occasions between 21 July and 12 August 2019 did Victoria Police attempt to contact, interview or apprehend the individual identified in the reports made to Victoria Police on 21 July and 24 July 2019.

(Notice received 12 September 2019)

- 829 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to Forest Fire Victoria's hazardous tree removal program:
- (1) Given that the expert contracted to assess dangerous trees should not be the same person or agency contracted to cut them down, is there a clear separation for these operations.
  - (2) How many trees in total have been removed since the program began.
  - (3) How many trees with habitat hollows have been removed.
  - (4) How many felled trees with hollows were in national parks.
  - (5) What precautions have been taken to ensure felled trees in national parks are not poached for firewood.
- 830 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the *Interim Report 2*, published by the Victorian Bushfires Royal Commission in 2009, calling for an approved standard design for private householder bushfire shelters and noting that this standard was established before the Royal Commission's final report in July 2010:
- (1) What programs have been set in place since 2009 to publish the importance of community understanding of the safety advantages of a private bushfire shelter of an approved design.
  - (2) Has there been any assistance, such as low or no interest loans, given for the installation of private shelters for households in fire risk areas.
  - (3) Given that a CSIRO report rates approved private shelters as a highly effective life-saving strategy, why are these important life protection measures not mandated for new homes in high fire risk areas.
- 831 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to Victoria's current *Code of Fire Practice* that makes it clear that protection of human life is the overriding objective and given that current fire management planning and practice uses protection of buildings rather than protection of human life as its key objective:
- (1) Why is it necessary for a surrogate to be used for human life, given that human life is the clear and overriding objective of fire management.
  - (2) Are personal safety strategies such as bushfire shelters and compulsory evacuation being sidelined due to the replacement of 'protection of human life' by 'protection of property' in strategic decision-making.
- 832 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to Victoria's *Code of Fire Practice for Bushfire Management on Public Land*:
- (1) Is it correct that the code establishes that a prime objective of fire management is to 'maintain or improve the resilience of natural ecosystems and their ability to deliver services such as biodiversity, water, carbon storage and forest products'.
  - (2) Is it correct that a number of current strategies being developed by fire managers are now aimed at 'minimising the decline' of biodiversity in Victoria.
  - (3) Can the Minister confirm that the biodiversity objective in the code has not been downgraded from 'maintain or improve' biodiversity to 'minimise decline'.
- 833 DR RATNAM** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to an agreement between the Environment Protection Authority and Veolia that resulted in hazardous waste being transported to South Australia in August 2019 due to the recent discovery of stockpiles:

- (1) Did WorkSafe Victoria pay for the transfer, and if not, which Government Department or statutory body paid for this transfer.
- (2) How much did this transfer and treatment cost.

**834 DR RATNAM** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the transfer of chemical and hazardous waste from Victoria to other states:

- (1) Which chemical wastes have limited treatment capacity in Victoria and may need to be transferred interstate.
- (2) Does hazardous waste regularly get transferred interstate for treatment or disposal, and if so, by which organisations or statutory bodies.
- (3) How much waste was transferred interstate in —
  - (a) 2018-19;
  - (b) 2017-18;
  - (c) 2016-17;
  - (d) 2015-16;
  - (e) 2014-15;
  - (f) 2013-14;
  - (g) 2012-13;
  - (h) 2011-12;
  - (i) 2010-11; and
  - (j) 2009-10.
- (4) How much did it cost for waste to be transferred interstate in —
  - (a) 2018-19;
  - (b) 2017-18;
  - (c) 2016-17;
  - (d) 2015-16;
  - (e) 2014-15;
  - (f) 2013-14;
  - (g) 2012-13;
  - (h) 2011-12;
  - (i) 2010-11; and
  - (j) 2009-10.
- (5) Of the waste transferred interstate as listed in paragraph (4), what chemicals were included in the transfers.

*(Notice received 15 October 2019)*

**835 MR LIMBRICK** — To ask the Minister for Roads: In relation to the offence of driving a vehicle which displays a P-plate when it is not required under the *Road Safety (Drivers) Regulations 2009*:

- (6) What is the rationale for the heavy penalty of a fine and 3 demerit points.
- (7) What evidence suggests that this improves road safety.

**836 MS MAXWELL** — To ask the Minister for Regional Development (for the Minister for Corrections): In relation to the detainees across the state's correctional facilities undertaking formal, taxpayer-funded education courses:

- (1) What percentage of detainees have undertaken such education since 1 January 2015.
- (2) What has been the total cost of this education to taxpayers.
- (3) What percentage of detainees have actually completed their course and what percent attained the relevant qualification.

**837 MS MAXWELL** — To ask the Minister for Regional Development (for the Minister for Corrections): In relation to the Complex Adult Victorian Sex Offender Management Review Panel, commonly known as the Harper Review, commissioned in 2015 to provide advice to the Government on the legislative and governance models under the *Victorian Serious Sex Offenders (Detention and Supervision) Act 2009*:

- (1) Which of the 35 recommendations of the Review did the Government —
  - (a) reject;
  - (b) accept in full; and
  - (c) accept only in principle.
- (2) Which of the recommendations of the Review were accepted in full and have been wholly implemented.
- (3) Which of the recommendations of the Review were accepted in full but have not been wholly implemented and why.
- (4) Has the Government wholly implemented any of the recommendations of the Review that it accepted in principle, and if so, which ones.
- (5) Has the Government only partly implemented any of the recommendations that it accepted in principle, and if so, which ones.
- (6) Have any of the recommendations that were accepted in principle still not been implemented in any way by the Government, and if so, which ones.
- (7) How can a member of the public access, at any time, the most up-to-date report of the Government's progress in implementing each of the recommendations of the Review.

**838 MS MAXWELL** — To ask the Minister for Regional Development (for the Minister for Corrections): In relation to the Coghlan Review, established in 2017 to advise the Government on how Victoria's bail system should be reformed to best manage risk and to maximise community safety:

- (1) Which of the 37 recommendations of the Coghlan Review did the Government —
  - (a) reject;
  - (b) accept in full; and
  - (c) accept only in principle.
- (2) Which of the recommendations were accepted in full and have been wholly implemented.
- (3) Which of the recommendations were accepted in full but have not been wholly implemented and why.
- (4) Has the Government wholly implemented any of the recommendations that it accepted in principle, and if so, which ones.
- (5) Has the Government only partly implemented any of the recommendations that it accepted in principle, and if so, which ones.
- (6) Have any of the recommendations that were accepted in principle still not been implemented in any way by the Government, and if so, which ones.
- (7) Has the Government implemented Recommendation 37, and if not, what are the reasons for that decision.
- (8) How can a member of the public access, at any time, the most up-to-date report of the Government's progress in implementing each of the recommendations of the Review.

**839 MS MAXWELL** — To ask the Minister for Regional Development (for the Minister for Corrections): In relation to meetings within the Minister's portfolio:

- (1) Since 1 January 2015 inclusive, on what dates have there been meetings of the —
  - (a) Criminal Justice System Steering Committee;
  - (b) Hate Crime Review Working Group;
  - (c) Victim Impact Statement Reference Group; and
  - (d) Bail Steering Committee.
- (2) Were formal minutes of any of the meetings in paragraph (1) taken, and if so, for which meetings and how can copies of these minutes be accessed by members of the public.

**840 MS MAXWELL** — To ask the Minister for Local Government (for the Minister for Jobs, Innovation and Trade): In relation to mobile phone black spots: Does the Government maintain an official, regularly updated, list of mobile black spot locations across the state, and if so —

- (a) how frequently is the list updated;
- (b) what are the basic criteria for a location to be classified as a mobile black spot on the list; and
- (c) where can a member of the public see a copy of the most up-to-date version of the list.

- 841 MS MAXWELL** — To ask the Minister for Road Safety and the TAC: In relation to incidents and deaths caused by motorists:
- (1) What is the Government's current official definition of a 'hit-and-run' driving incident in Victoria.
  - (2) How many hit-and-run incidents are known to have occurred in Victoria during —
    - (a) 2000-09 inclusive;
    - (b) 2010;
    - (c) 2011;
    - (d) 2012;
    - (e) 2013;
    - (f) 2014;
    - (g) 2015;
    - (h) 2016;
    - (i) 2017;
    - (j) 2018; and
    - (k) 2019.
  - (3) How many deaths are known to have resulted from hit-and-run incidents in Victoria during —
    - (a) 2000-09 inclusive;
    - (b) 2010;
    - (c) 2011;
    - (d) 2012;
    - (e) 2013;
    - (f) 2014;
    - (g) 2015;
    - (h) 2016;
    - (i) 2017;
    - (j) 2018; and
    - (k) 2019.
- 842 MS MAXWELL** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to suicides committed by serving police officers: How many then-serving officers in Victoria Police committed suicide during —
  - (a) 2000-04 inclusive;
  - (b) 2005-09 inclusive;
  - (c) 2010-14 inclusive;
  - (d) 2015-19 inclusive; and
  - (e) the 2019 calendar year.
- 843 MR DAVIS** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to property acquisitions due to the Metro Tunnel Project:
- (1) What is the total cost of acquisitions made due to the Project and how many properties have been bought.
  - (2) How many of the property owners have rejected the initial offer and are currently disputing the matter in court.
- 844 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the Quandong farm property previously owned by the Dennis Family entity:
- (1) Did the Government offer to buy the farm, and if so, what price was offered.
  - (2) Did the Government enter into any negotiations over the potential purchase of the farm, and if so, why did the negotiations not result in the Government purchasing the farm for the Western Grassland Reserves.
  - (3) Who is the new owner of the Quandong farm property.
  - (4) Does the Government expect that the farm will form part of the proposed Western Grassland Reserves, and if so, when.

- 845 MR HAYES** — To ask the Minister for Roads (for the Minister for Transport Infrastructure): In relation to the removal of the Tooronga Road level crossing: How does the Government intend to address the removal of the Tooronga Road level crossing given that the nearby Burke Road crossing is rail over road, and the nearby Toorak Road crossing will be an above ground sky rail.
- 846 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the demolition of certain Victorian properties: Will the Minister intervene, as he did with Currajong House, to stop the demolition of —
- 88 Belford Road, Kew East;
  - 980 Toorak Road, Camberwell;
  - 19 Moir Street, Hawthorn;
  - 360 Auburn Road, Hawthorn East; and
  - 778 Burwood Road, Hawthorn East.
- 847 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): Can the Minister advise why Dents Reserve at 19 Tarella Road, Chelsea, did not meet the criteria for pocket parks.
- 848 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the Highett Gas and Fuel site redevelopment: Is the Minister aware that the site is contaminated and cannot be disturbed below 1 metre, and if so, how is the Minister planning to address this with the proposed redevelopment.
- 849 MR HAYES** — To ask the Minister for Local Government (for the Minister for Jobs, Innovation and Trade): Is the Minister aware that over 80 shopfronts on the street level alone, are closed along Chapel Street at present, and if so, is the Minister looking at ways to address this issue with retail trading.
- 850 MR HAYES** — To ask the Minister for Local Government (for the Minister for Tourism, Sports and Major Events): In relation to the Government's pre-election announcement that it planned to better protect the open space of the Maribyrnong River as part of a Waterways of the West Project, and to the subsequent approval for the construction of three soccer grounds on the floodplain by Melbourne Victory Football Club:
- How much sand and soil will be imported onto the site in order to construct a suitable surface for playing soccer.
  - What involvement has the Friends of the Maribyrnong Valley Inc., Friends of Newell's Paddock, and other groups for recreational users of Footscray Park, had in the development of the soccer grounds proposal.
- 851 MR GRIMLEY** — To ask the Minister for Training and Skills (for the Attorney-General): In relation to the *Justice Legislation Miscellaneous Amendment Act 2018* which amended several Principal Acts to establish mandatory sentencing for those who assault emergency service workers: How many people have been sentenced under the relevant provisions within this amending legislation for assaulting emergency service workers.
- 852 MR HAYES** — To ask the Minister for Regional Development (for the Minister for Planning): In relation to the finding in the Victorian Auditor-General's December 2011 Report, *Compliance with Building Permits* that significant gaps in local council records on whether building surveyors adequately discharged their statutory obligations were identified, specifically there was inadequate information for 96 per cent of the 401 building permits examined:
- What action has been taken to lift the assessment of the level of compliance with building permits and statutory requirements since the Report.
  - What is the current level of local council information available to assess compliance with building permits and what is the level of actual compliance with building permits.

- 853 MS PATTEN** — To ask the Minister for Training and Skills (for the Minister for Education): In relation to the Department of Education and Training’s Instrumental Music Program for secondary schools:
- (1) Why have the recommendations from the former Education and Training Committee’s 2013 Report on the *Inquiry into the Extent, Benefits and Potential of Music Education in Victorian Schools* not been implemented, despite the Government’s 2014 pre-election commitment to do so.
  - (2) Does the Government intend to continue the practice of employing unqualified and unregistered staff as Education Support or Casual Relief Teachers to deliver instrumental music programs at government schools.
  - (3) What action will be taken to address the inconsistent approach to the provision of instrumental music education in government schools.
  - (4) Will the Government implement the 2017 Victorian Institute of Teaching’s Permission to Teach policy, to ensure that all instrumental music programs in government schools are delivered by fully qualified, registered teachers.
- 854 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the Victorian wetlands on the Ramsar Convention’s List of Wetlands of International Importance:
- (1) What action has the Government taken to protect the wetlands in Victoria.
  - (2) Are the wetlands signposted so that visitors can identify that they are visiting a Ramsar listed wetland.
- 855 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the Minister’s answer to Question on Notice No. 383 which referred to ‘implementation of onground actions at Ramsar sites’: Who decides what actions are undertaken and who implements these actions.
- 856 MR HAYES** — To ask the Minister for Local Government (for the Minister for Tourism, Sport and Major Events): Will the Government identify wetlands on the Ramsar Convention’s List of Wetlands of International Importance in regional tourist promotions as a way of promoting regional tourism.
- 857 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to recommendations 2 and 3 in the Auditor-General’s Report on *Meeting Obligations to Protect Ramsar Wetlands, September 2016*: What action has been taken to implement these recommendations.
- 858 MR HAYES** — To ask the Special Minister of State (for the Minister for Energy, Environment and Climate Change): In relation to the Department of Environment, Land, Water and Planning’s *Tourism Leases in National Parks: Guidance Note, 2015*: Is it still government policy that “rather than encouraging developments inside national parks, tourism development will be encouraged to be sited on private or other public land outside parks, in locations that are more likely to provide economic benefits directly to regional towns”.
- 859 MR HAYES** — To ask the Minister for Training and Skills (for the Minister for Police and Emergency Services): In relation to the 2009 Black Saturday fires:
- (1) Were Victoria Police’s investigations into the origin and cause of the fires made public, and if so, when, and if not, why not.
  - (2) Were Victoria Police’s investigations into the origin and cause of the fires provided to WorkSafe Victoria, and if so, when, and if not, why not.
  - (3) Was the Director of Public Prosecutions requested to review Victoria Police’s findings in considering whether SP AusNet should be prosecuted for causing the Black Saturday fires, and if not, why not.

- 860 MR HAYES** — To ask the Minister for Agriculture: In relation to section 131(1) of the *Firearms Act 1996*, which prohibits shooters from trespassing on private property or negligently discharging a firearm on or across private property:
- (1) What steps have been taken to protect property owners and members of the public from physical, psychological or auditory injury.
  - (2) What steps are taken to enforce section 131(1) of the *Firearms Act 1996* and what prosecutions, if any, have resulted from breaches of the Act.
  - (3) Has a risk assessment ever been carried out on the risks that hunting poses to both property owners and the public.
- 861 MR HAYES** — To ask the Minister for Agriculture: In relation to the *Firearm Safety Code* produced in 2011, which states on page 11 that the extreme range for a shotgun may be as much as 250 to 750 meters: Given that the range of the shotfall may be doubled with tailwinds in excess of 50 kilometers per hour and that “falling spend shot can cause injury, particularly to unprotected eyes and a danger area is required”:
- (1) Why are hunters allowed to discharge a shotgun within 250 meters of private and public boundaries.
  - (2) Why are designated hunting zones not classified as firearms ranges with the same stringent conduct and regulation requirements as target shooting ranges.
- 862 MR HAYES** — To ask the Minister for Agriculture: In relation to discharging firearms within 250 meters of private property: Why do duck shooters not have to seek the permission of a property owner before discharging a firearm within 250 meters of the property owner’s dwelling when a target shooter must obtain permission before discharging a firearm.
- 863 MS WOOLDRIDGE** — To ask the Minister for Training and Skills: In relation to the performance target from the 2019-20 Budget of 46.3 per cent for the performance measure of a “two-year completion rate for non-apprentice commencements in government subsidised Australian Qualifications Framework qualifications”:
- (1) For what calendar year is the 2019-20 target measured.
  - (2) Is the data collected directly from the training institutions and then collated or is it calculated differently.
- 864 MS WOOLDRIDGE** — To ask the Minister for Training and Skills: In relation to the Department of Education and Training’s performance measure of “proportion of Government-subsidised enrolments related to qualifications that will lead to jobs and economic growth” within the 2019-20 Budget Paper No. 3:
- (1) What are the specific qualifications that contribute to this performance measure for the current year.
  - (2) Does the list of qualifications for this performance measure stay the same year to year.
- 865 MS WOOLDRIDGE** — To ask the Minister for Training and Skills: In relation to the announcement of \$1.2 million to train more shearers:
- (1) How many additional students will be supported by the money.
  - (2) What TAFEs will benefit from the \$1.2 million.
- 866 MS WOOLDRIDGE** — To ask the Minister for Regional Development (for the Minister for Crime Prevention): Will the Government consider enhancing safety lighting and CCTV coverage in and around Eltham, particularly at —
- (a) Eltham, Montmorency and Greensborough train station carparks;
  - (b) the Montmorency-Eltham RSL and the surrounding Petrie Park;
  - (c) Lower Plenty football ground;
  - (d) Eltham Bowls Club;
  - (e) First Lower Plenty Scouts;
  - (f) Montmorency football ground; and
  - (g) the toilets and carpark on Were Street, Montmorency.

- 867 **MS WOOLDRIDGE** — To ask the Minister for Training and Skills: As at 30 June 2019, how many students were undertaking free TAFE courses at Bendigo TAFE.
- 868 **MS WOOLDRIDGE** — To ask the Minister for Training and Skills: As at 30 June 2019, how many students were undertaking free TAFE courses at Box Hill Institute.
- 869 **MS WOOLDRIDGE** — To ask the Minister for Training and Skills: As at 30 June 2019, how many students were undertaking free TAFE courses at Chisholm Institute.
- 870 **MS WOOLDRIDGE** — To ask the Minister for Training and Skills: As at 30 June 2019, how many students were undertaking free TAFE courses at Federation University, TAFE division.
- 871 **MS WOOLDRIDGE** — To ask the Minister for Training and Skills: As at 30 June 2019, how many students were undertaking free TAFE courses at TAFE Gippsland.
