1* **SPENT CONVICTIONS BILL 2019** — (*Ms Patten*) — Second reading.

NOTICES OF MOTION

15* **MR DAVIS** — To move —

That, in accordance with Standing Order 11.01, this House requires the Leader of the Government to table in the Council by Tuesday, 5 March 2019, copies of the Government briefing books provided to incoming Ministers by the Departmental Secretaries and the Secretary of the Department of Premier and Cabinet following the 24 November 2018 State Election.

[Notice given on 5 February 2019 — Listed for 1 day].

11* **MR DAVIS** — To move —

That this House —

(1) notes the statement by the Minister for Energy, Environment and Climate Change, the Hon Lily D'Ambrosio MP, broadcast on 3AW on 24 January 2019, that "we are absolutely

* *Indicates new entry.*

confident” the state’s power supplies would hold up during hot weather on 24 and 25 January 2019; and

- (2) requires the Leader of the Government, in accordance with Standing Order 11.01, to table by 2.00 p.m. on Wednesday, 20 February 2019, a copy of all documents provided to the Premier, Treasurer, Minister for Energy, Environment and Climate Change, Minister for Small Business, Minister for Health or Minister for Disability, Ageing and Carers or their relevant departments during 2018 or 2019, containing advice, briefing or assessment on Victorian power supplies for January and February 2019, or other advice on future power supplies relevant to this period from the Australian Energy Market Operator, energy generators or distributors or any Department or agency of the Victorian Government.

[Notice given on 5 February 2019 — Listed for 1 day].

19* MR DAVIS — To move —

That this House notes —

- (1) that the Minister for Energy, Environment and Climate Change, the Hon Lily D’Ambrosio MP, made a statement on 24 January 2019, which was broadcast on 3AW, that “we are absolutely confident” the state’s power supplies would hold up during the hot weather on 24 and 25 January 2019;
- (2) brownouts and blackouts, that is cuts to the power supply, occurred on 25 January 2019 despite the Ministers’ assurances, and these power cuts negatively impacted on vulnerable Victorians, Victorian families and Victorian small businesses;

and expresses concern about the Minister for Energy, Environment and Climate Change’s mishandling of Victoria’s energy supply.

[Notice given on 5 February 2019 — Listed for 1 day].

18* MR DAVIS — To move —

That this House —

- (1) notes the *Commercial Passenger Vehicle Industry Act 2017* came into operation on 2 July 2018;
- (2) accepts this legislation is now in operation and that ride sharing services are a legitimate part of the economy;
- (3) further notes that —
 - (a) on 9 October 2017, long-held taxi licences effectively became worthless and the Andrews Labor Government began issuing licences for the nominal fee of \$52.90 and tens of thousands of licences have since been issued;
 - (b) the Andrews Labor Government paid completely inadequate compensation of \$100,000 per licence for the first licence and \$50,000 each per licence for three subsequent licences to a maximum of \$250,000;
 - (c) the so-called ‘fairness fund’ was poorly administered, as noted by the Ombudsman, and did not provide adequate or fair support for the many cases of severe hardship;
- (4) further accepts that the High Court has found that taxi licences operating in Victoria prior to the *Commercial Passenger Vehicle Industry Act 2017* coming into operation were property and that the removal of property by the action of government where the value of compensation was substantially less than the actual value of those property is unjust and wrong; and
- (5) requires that the Economy and Infrastructure Committee meet within 14 days of its establishment to review the Government’s processes, decisions and payment mechanisms, and subsequently report within four months after the Committee first meets on the impact on asset holders and their families, including their health and wellbeing, and on what further compensation is justified to fairly make up for the government driven destruction of lawful assets.
